Gary Mack 4/8/91 phone call O. Stone

Jane Rosconi in property. Plaza took closed for 2 weeks for shooting... Script has had four versions & being kept tightly secret. So is title... Kramer formerly Moorman, will seek restraining order unless assured his picture not to be used. Gary Mack + Jack White refuse to let Zap use "Badgeman" interpretation of Jack's work on her Nix'd Polaroid... Only reality not TV stations agreed to let Stone use their footage. Nix to FBI & diffuses, won't say why, & Gary thinks it or Dallas Morning News is investigating the project. "Badgeman" is original script. (could have come from Marrs book)... Chief Selby also phoned. No O. Stone news over there.
